**GGD:** ▼058071 Island (GGD Morrison) ewe, White  
DoB: May 12 (Single), Tag: UK0107728-01930

An \* appended to a Registration number indicates an Approved ram. Sheep reported as being genetically resistant to scrapie (not coding for Valine at codon 153) have the letters (SR) appended to their Registration number.

Pedigree and PRP Genotype data was supplied by the breeder and/or owner. The Shetland Sheep Society makes no warranty as to the accuracy of this data.
